

## How do I send a referral to more than one facility and / or physician?

You will see that your referral has been successfully submitted.

**Multiple Referrals**

You have successfully submitted the referral on 05-09-14 09:51:22

To print the referral information, click 'Print' button

To send the referral to another facility/physician, select the facility/physician and click 'Submit' button.  
To exit, click 'Cancel' button

**Active Facilities:**

**Select a registered physician:**

**Or Enter Unregistered Physician Information:**

Name :

Example: 'last name, first name'

Phone No :

Fax No :

If you would like to submit the **same** referral to another facility or physician, select the appropriate information from the drop down lists provided or enter an unregistered physicians information into the data fields.
